Chief, FBIB

Revision of Operational Analysis Handbook

Submitted herewith are recommended revisions for March of the OO/FBIB section of the Operational Analysis Handbook, as follows:

1. Daily Average of Words Monitored by Language and Station, revised chart attached.

   It is recommended that footnote be omitted.

2. Daily Average of Textual Dissemination, revised chart attached.

It is recommended that the first footnote and the "Total" column be omitted. The "Total" Column is not significant in that the words disseminated via the "B" wire are for the most part included in the words disseminated via daily reports.

3. Prospective Relocation of Stations and Increase in Coverage, revisions as follows:

   Paragraph 1: Progress Status as of 2 April 1948

   Paragraph 2: Progress Status as of 2 April 1948

   a. Arrangements are being made with U.S. Army Engineers to begin construction at Bolo Point, Okinawa.

   b. Activation of new station anticipated for early 1948.

   Paragraph 3: Progress Status as of 2 April 1948

   a. Site near Kyrenia is being acquired and arrangements for construction under direction of U.S. Army Engineers completed.

   b. Activation anticipated in early 1949.
